Phillip Broker

Asuransi Indonesia

PT. Phillip Broker Asuransi Indonesia (PBAI) has established itself as a key player in the specialized insurance and risk management industry. In 2024, we proudly rebranded as part of the global PhillipCapital Singapore network, strengthening our position as a forward-thinking insurance brokerage, ready to embrace a digital-driven and dynamic future.

With a clear focus on specialized insurance solutions and retail services, PBAI is well-positioned to deliver integrated, prompt, and customized services to our clients. Our team consists of experienced professionals from diverse disciplines, committed to helping clients identify, manage, and mitigate risks while leveraging innovation and technology.

As part of the PhillipCapital global network, we adhere to the values of collaboration, trust, quality, and innovation, ensuring our services align with the evolving needs of the insurance industry.

Phillip Broker

Asuransi Indonesia

Vision

To be the leading one-stop insurance broker, recognized for delivering comprehensive and innovative solutions tailored to the unique needs of our clients.

Mission

- Develop unique and flexible insurance products that respond to both traditional and emerging risks.
- Invest in technology and talent to enhance operational efficiency and customer engagement.
- Foster a culture of excellence, collaboration, and continuous improvement for the benefit of all stakeholders.

Your Partner in Insurance

At Phillip Broker Asuransi Indonesia, we are committed to guiding clients through their insurance journey with reliability, trust, and innovative solutions. By leveraging advanced digital tools and strong global partnerships, we deliver tailored coverage that meets our clients' unique needs at competitive prices.

We focus on fostering win-win relationships with all stakeholders. Our dedication to enhancing our team and technology ensures seamless service delivery, driving satisfaction and creating lasting value for clients, partners, shareholders, and employees.
